

**Creative Director:** Grace Huang

**Designer:** Elma Ademovic

**Topic:** Shohei Ohtani

## **Meeting Notes:**

Pages:

- Home/Landing:
  - Full screen-sized photo/video of him upon page load
  - Large text of name
  - Small description of who he is
- Professional Career
  - Include MLB stats
  - Vertical timeline of his MLB career
  - Short descriptions paired with corresponding photo
- Early Life and Amateur Career
  - Another timeline?
  - Newspaper-esque
  - Not too text-heavy
- Awards and Achievements
  - Only focus on National, NPB, and MLB achievements
  - Create separate sections for these three categories
  - Under headings for each categories, include a 1 sentence description of what the category entails
- Media Gallery
  - Photos of iconic plays
  - One photo at a time (users can click through to see the next photos)
- Sources (does this need a separate page?)
  - Maybe include in the footer?

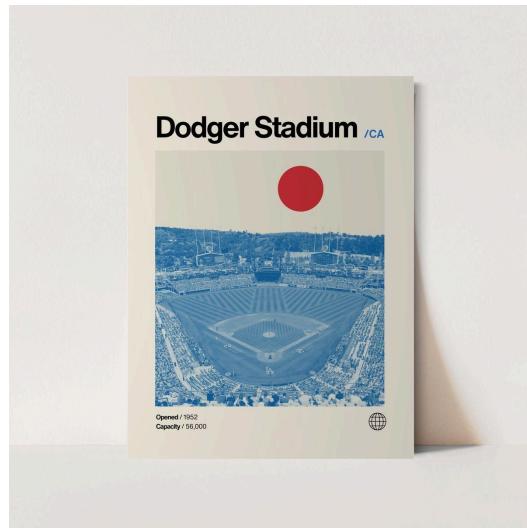

Navigation:

- Can play around with location of nav-bar
- Side tabs?
- Play around with mobile vs desktop nav-views
